Dear Dean,

A simple thank you is not enough to express our gratitude for your services at our Red Carpet Dinner & Auction this past spring. We raised a record amount at event and are so grateful to you, Kayla and your entire team! We were able to purchase the two buses and renovate our preschool wing this summer!

From the first planning meeting with members of our administrative team and Auction Chair, Tish Wright, to the end of the event, we appreciated your professionalism and creativity. Your ideas helped us to provide a night that many in our Parker County community will not soon forget. In fact, we are still receiving compliments and kudos on the well-planned evening and people are still talking about how much fun they had at the Red Carpet dinner at TCA!

As mentioned, we raised a record amount for Trinity. We raised over \$150,000! The technology provided for the auction bidding online and Dean's energy and experience no doubt was a huge part in our success. Our attendees loved the online bidding! We have used this technology for two smaller events and each time the amount raised has increased.

I will not hesitate to use your services for our next event and look forward to more record-breaking events! Thank you so much for your support of Trinity Christian Academy and our mission and fundraising efforts!

Sincerely,

Susie Henning
Director of Development
