Dear Dean,

A simple thank you is not enough to express our gratitude for your services at our 25th Anniversary Legacy Dinner & Auction in April. We raised a new record amount and are so grateful to you, Kayla and your entire team!

We appreciate your professionalism and creativity in all phases of the event. Your ideas helped us to provide a night that many in our Parker County community will not soon forget. In fact, we are still receiving compliments and kudos on the well-planned evening and people are still talking about how much fun they had at the Legacy Dinner at TCA! Dean, your energy and excitement for the purpose of our fundraising led to many new donors and significant major gifts from many of our recurring donors.

As mentioned, we raised a record amount for Trinity. We raised over \$250,000! The technology provided for the auction bidding online and Dean's energy and experience no doubt was a huge part in our success. Our attendees love the online bidding! Since we began using Dean and Qtego, the amount raised has increased each time.

I will not hesitate to use your services for our next event and look forward to more record-breaking events! Thank you so much for your support of Trinity Christian Academy and our mission and fundraising efforts!

Sincerely,

Susie Henning
Director of Development
