

A Year of Boating, No Boat Required

Freedom Local Membership, Lake Lewisville and Lake Texoma

Freedom Boat Club buys the boats, maintains them, and insures them, so all you do is reserve one and go. This membership hands the winner a full year of unlimited boating access on two of North Texas's favorite lakes, plus hands-on training so you're confident behind the wheel from day one. Choose from the fleet each time you go out: bow riders, tri-toons, deck boats, fishing boats, and sports boats. Pick the boat that fits your vibe, every time.
